

HASSRA Leeds Golf Society Draft Programme for 2021

Amended 22 Feb

For 2021, all events except Captains and Presidents are planned as 18 holes and a 1 course dinner. Captains and Presidents will be full day options.

This is primarily due to the absence of any meaningful subsidy but also the uncertainty around COVID-19. We have some money and any subsidy applied will be identified in each call up.

This will be reviewed during 2021 when preparing the programme for 2022.
